

FOURTH SUNDAY OF EASTER

April 17, 2016

Earth Day ~ April 22

Pope Francis urges us to care for our common home:
Let EVERY day be Earth Day!

Scientists have come to a consensus: Climate change will have a major impact on food production, sea levels, and life as we know it. Here and around the world, it is the poor who will be hit hardest with more droughts, floods, hunger, and joblessness. As faithful Catholics, we have a moral obligation to care for both Creation and the poor. It is truly a daunting problem, and we can feel too small to make a difference. But there are things we can all do:

ACT (some simple reminders):

- Unplug your cell phone, ipad, and other electronic devices as soon as they are charged.
- Replace incandescent lightbulbs with energy-efficient bulbs.
- Turn off lights and appliances when you leave a room.
- Turn off water when shaving or brushing your teeth and take shorter showers.
- Ride a bike, walk, carpool, or use public transportation whenever possible. Consolidate errands.
- Use biodegradable soap, shampoos.
- Reduce use of disposable products by using reusable containers; if you must buy disposable, buy paper or glass products instead of plastic.
- Bring reusable cloth bags when shopping instead of disposable plastic bags.
- Buy local and/or organic food and purchase recycled products whenever possible.
- Plant a garden and start a compost pile.
- Eat less meat: the UN concludes that "the livestock sector emerges as one of the top two or three most significant contributors to the most serious environmental problems," including climate change.
- Dry your clothes outdoors when possible and use the dryer less.
- Reflect on ways to simplify your life: What are my needs vs. wants? How might I reduce the amount of resources I consume?

PRAY:

- for all: that we might see Creation as a gift to be cherished, protected, and shared with all rather than a commodity to be consumed by a few;
- for the poor: that our hearts be opened to their plight, that their dignity be upheld, and that we advocate on their behalf so that they can have the basic necessities of life.

From the Desk of Father Kevin

"My sheep hear my voice; I know them and they follow me."

John 10:27

It is a fundamental obligation of a Christian to be a follower of Christ. We want our parish to provide an environment which promotes discipleship and encourages its members to share the stories of their relationship with Christ and the Church with one another and others outside the walls of our church.

For more than a year now, parish staff and I have been talking about ensuring that St. Wenceslaus is, and will continue to be, such a parish ~ a "home for and of disciples". Presentations on discipleship have been given to the parish councils at St. Wenceslaus and the Western Catholic Community, Sunday evening adult study group, and attendees at a Lenten Retreat held in early March. Presentations to the St. Wenceslaus school board and property and finance committee are scheduled for May. In other words, we are hoping to begin moving forward with our plans to focus on forming disciples.

I personally invite you to attend one of two parish meetings. The options are: Thursday, April 21st and Monday, April 25th at 6:30 pm in the St. Wenceslaus church basement. The start time of 6:30 pm is for those who have not attended the presentations which I mentioned above or for those who did but would like a review. Those who are already prepared to share ideas on discipleship may want to join the meeting at 7:15 pm.

This is an extremely important conversation for our parish. We want our purpose to be well defined. We will share ideas and begin the work of laying a foundation that could significantly impact the mission of the New Prague Area Catholic Community. Your input and participation would be greatly appreciated.

The Lamb

In honor of Good Shepherd Sunday, I thought I would share an experience I had a few years ago. Back in my home county, a teenage girl was struck and killed by a car early in the summer. She was a 4-Her with a sheep project she would never be able to show. Her lamb came to the fair and was put up to bid at the auction after all the other animals had been sold. It brought a great price of over \$600. Then the auctioneer asked the gentleman with the winning bid, "Would you like to donate the lamb back?" "Yes," was the answer. So then the lamb was sold again for almost as much. The question came again, "Do you want to donate it back?" "Yes," boomed the answer. This process went on over and over again. Each time the auctioneer asked if the person wanted to donate it back. Each time the winning bidder answered yes. This was done until over \$14,000 was collected. Her family got the lamb and the money raised went to start a scholarship to be awarded in the young woman's name. There was a great sense of community pride in the arena. I was very happy as my own Dad had been one of the winning bidders. The lamb had brought forth charity from many of those gathered at the fair that day.

Jesus is the lamb and he came at a cost. The cost was his life, and even though the action happened only once, our sins are always paid for. When we sacrifice, we participate in this process. The lamb is sold on our behalf and each time we are asked if we want to participate by following him. For those who believe, the answer is yes. Each time we suffer we give back the lamb, so Jesus can be there for the next one who suffers. Each time we give we are participants in the salvation we receive. We do not earn the salvation, but we are offered this gift over and over again. Ultimately, all of creation is the winner of the scholarship that Jesus earned on our behalf. As Christians, we are asked to give so that our gift may benefit others. We are to give without counting the cost. We gain so much more than we are ever able to give.

Catholic Home Missions Appeal Next Weekend

The Catholic Home Missions Appeal will take place next week. One way that this appeal works to support home mission dioceses in the United States is by supporting seminarian formation in poor dioceses. The blessing of seminarians places a financial burden on these dioceses, because educating each seminarian costs \$35-40K per year. Your support is needed for these young men so that they might go back and serve their parishes. Please **strengthen the Church at home** by making a generous gift to next week's appeal.

An Invitation From the Green Team - 2016

New gardens! Three new rain gardens will collect run off from the parking lots and filter it back into the soil. The native plants will also provide habitat for birds, butterflies, and other pollinators. We also have several other new gardens in the parking lot area.

We are very proud of our other gardens, too. We depend on many individuals and families to help keep our flowers looking good all summer. Please consider volunteering to adopt a garden for the summer or select a week to help weed and water as needed. Over 30 families volunteered last year, and we would like to have even more this year.

Please return this form to the SWS office or parish office by Friday, May 20th, or contact Kathy McNamara at Kathy.McNamara@swsaints.org. Thank you.
