Pentecost Prayer Vigil Invitation ~

The most fundamental obligation of a Christian is to be a follower of Jesus. We take on his name, Christ, and he is the one who calls us to discipleship. Being a disciple is not always easy, but Jesus doesn't leave us to do this on our own. He promises the Holy Spirit to be our helper and guide.

The Holy Spirit is a bit of a mystery to a lot of Catholics. We hear that we have received the Spirit at Baptism, and the Holy Spirit is THE BIG DEAL at Confirmation, but the truth is many baptized and confirmed Catholics really aren't sure they experience the power of the Spirit. We're promised gifts and fruits. Have they been delivered? Have they been received?

No matter how close our relationship to the third person of the Trinity, we can always be more open to the Spirit's presence and work in our lives. Every year when we celebrate the feast of Pentecost and remember the great descent of the Spirit on the apostles, it's an opportunity for the Church and each of us to pray for more openness to the Spirit who has been promised to us as well.

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and we shall be created and you will renew the face of the earth.

You are invited: **Pentecost prayer vigil**

Saturday, May 14, 7-8 pm in the chapel
 Optional potluck 6-7 in the church basement

Families welcome. Please call the parish office to register if child care required.
 952-758-3225

We will pray for ourselves and our families, our parish and Church, and for peace in the world and in our hearts.

Call 758-0464 for more information.

About Mothers

I am a fortunate man. I was blessed with a mother who has loved and supported me my whole life. As a child, she guided me and even pushed me a few times to try and inspire me to do more. I have always admired her faith. She was active in church. She taught religious education as a volunteer for 17 years. She was someone who was always there for me. As an adult, we are friends. We play a lot of cribbage. We also share life together. We speak of the happenings in our lives and of the lives of my siblings. Mom is the way I get the news about my brothers and sisters. She is the great communicator and the link that holds us all together.

I have also been fortunate to have the maternal influence of many in my life. I am proud to associate with many women who have shaped me and helped me to become the man I am today. They have been of many ages and education levels. They have been close confidants and mere acquaintances. Each one has contributed her voice to support and nourish me. I am very grateful to these women and I know I will never be able to fully repay them.

The motherhood of the Blessed Virgin Mary has always intrigued. She accepted the role in the Annunciation and built confidence in her role at the Visitation. She became the mother at the most high at the Nativity. Mary along with Joseph presented him at the temple. She also found the twelve year old Jesus with the elders in the Temple. She encouraged her son at the wedding feast in Cana and sought him out when he was teaching. Finally, she supported him at the foot of the cross. He entrusted her to St. John and they were to care for each other. Mary is the perfect Mother who stands as the example for all followers to look up to. She is the Church and we need to celebrate her each and every day.

More on the Rain Gardens:

Remember, the purpose of rain gardens is to absorb and filter runoff water, so the soils need to be porous enough to soak up water within 48 hours. Forty-eight hours is the standard because it's likely to be the shortest period between two rainstorms and will prevent garden plants from drowning and rain gardens from becoming mosquito breeding grounds.
