## World Day of Prayer for the Care of Creation ~ September 1

Pope Francis has declared a World Day of Prayer for the Care of Creation.

### A Prayer for Our Earth

All-powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace, that we may live as brothers and sisters, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, love, and peace.

*From Laudato Si': On Care for Our Common Home*

*"I invoke upon this initiative the intercession of Mary, mother of God, and of St. Francis of Assisi, whose Canticle of the Creatures inspires so many men and women of goodwill to live in praise of the Creator and with respect for creation."*

*Pope Francis*

**A Day to Especially Pray for the Care of Our Common Home!**

What kind of a world do we want to leave to our children? In what positive ways can we impact the future of the planet? We will be asking ourselves these questions here at St. Wenceslaus in the coming year. On September 25, we will celebrate the dedication of our new parking lot as we gather around a large sign gracing the corner of the intersection northwest of the church. This sign will be a visible reminder of our connection as a church community to all of creation, proclaiming the words "Laudato Si'," which come from the first two words of St. Francis' *Canticle of the Creatures*. *Laudato Si': On Care for our Common Home* is the title of Pope Francis' encyclical on integral ecology.

Pope Francis has taken the lead in calling Catholics and all people to conversion. *Laudato Si'* is about the interconnected relationships of: our Creator, the earth, and each other to all life on the planet. He especially asks us to look at the needs of the poor, who are affected most by climate change. He accepts the best scientific research and the growing scientific consensus but grounds his call to action in a spiritual perspective ~ beginning with the call to care for creation from the book of Genesis. He asks us to examine the effects of technology and economic systems that put profit ahead of people and challenges us to make sacrifices for the common good.

This document has a sense of urgency about it, yet *Laudato Si'* is hopeful, assuring us that God is with us, that we CAN make a difference in our personal and collective response and concern for creation and all life.

During the past year, a group of parishioners studied *Laudato Si'* and, this week, school and parish staff will be attending a retreat day on *Laudato Si'* at the Franciscan Retreat Center in Prior Lake, led by Rochester Sister of St. Francis, Sr. Kathy Warren. We hope to focus this year on understanding how we can make a difference in responding to the call to care for our common home. I encourage and invite all of us to be a part of the discussion, the prayer, and the acts in behalf of our common home.

*"We do not inherit the Earth from our ancestors, we borrow it from our children."*

## From the Desk of Father Dave

### I Don't Mind the Heat; It's the Humidity

Everybody wonders about the weather to a certain extent. How should I dress? Will that outdoor activity go on as planned? How will this weather affect the crops? Growing up in our house the weather forecast was sacred. For my dad, getting the forecast from television or radio was so vital that anyone who interrupted it was scolded.

Is God responsible for the weather? Being an all-knowing, omnipotent being, God surely knows the weather before it happens. He gives us free will to live in areas that have tendencies for bad weather. For example, you can't live in Minnesota and not expect cold winter temperatures or you can't expect a cool summer in Texas. Our free will has given us the capacity to affect the weather and deal with the consequences when it becomes severe. I also believe that God creates human beings with skills in forecasting and disaster relief to have a role when severe weather hits.

The news is filled with stories about Louisiana flooding and California wildfires. Things are so bad I'm sure some people blame God. We can support relief through financial giving or at least by our prayers. Catholic Rural Life posted this prayer for the disasters.

***Loving Creator, we pray for those who have been affected by recent climate disasters: the floods that ravaged Louisiana and the wildfires rampant throughout California. We pray for all those around the world who suffer from floods, droughts, and climate disruptions. Break open our hearts to allow the pain and suffering of our brothers and sisters to move us to bold, prophetic action for all peoples and all generations. Amen.***

Please say this prayer in support of our brothers and sisters in these areas. We are all connected through our faith. Have a great week. Soon we will be saying, "Is it cold enough for ya?"

## PARISH AND AREA NEWS

### God Bless the Newly Baptized

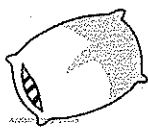

Welcome and congratulations to *Adelyn Schultz*, daughter of Gerrod & Tia Schultz, and *Kane Stocker*, son of Jeremy & Katie Stocker. We rejoice with your families on this joyful occasion!

### Area Separated & Divorce Support Group

Area Separated & Divorce Support Group meets the first and third Tuesdays of each month, 7-8:30 pm, in the Pius X room, church lower level. The Topic for Sept. 6 & 20, "Reclaim Your Personal Power". If you or a loved one is experiencing the loss of a long-term relationship, married or unmarried, you may desire to connect with this group since they understand what you are going through at this time in your life. Questions? Please call Deacon Bob Wagner at (952) 758- 0463 or Mary Pieper (952) 873-6781.

### Why clean your feather pillows?

A good feather pillow should last anywhere between 60 and 100 years and still be in good usable condition. Here is why most of them aren't. A feather depends on its oil for its life and softness. Every time a pillow is washed or steam cleaned, the feathers lose between 10 and 15 years of usefulness because they are stripped of oil. Burt Carlson Pillow Cleaning uses a machine that will clean and deodorize the feathers without removing any of their oil. It will also kill germs using ultra-violet light. The feathers you receive back will be your own, cased in a new ticking cover of your choice. Carlson Pillow Cleaning is returning on Sat., Sept. 10th from 7 am-1 pm in the Parish Activities Center with early drop off Friday evening from 6-7 pm in the PAC. New pillows for sale. Call (952) 758-0477 for more information. Proceeds benefit St. Wenceslaus Youth ministry.

### Would you like to help at Hope House?

If you would like to volunteer for our ministry to homeless families, there will be new volunteer training at 6:30 pm on Tues., Sept. 13th at Hope House, 305 Columbus Ave N. If you have questions, call volunteer coordinator Julie Huddock at (952) 994-5382.

### Are you a good listener?

Active listening is the foundation of the BeFriender ministry. BeFrienders don't try to solve problems or give answers but provide support through their nonjudgmental, caring presence. BeFrienders training will be offered this fall. There will be an information session on Tues., Sept. 20th, at 7 pm in the parish office building. Plan to attend if you are interested in learning more about BeFrienders. Call Mary Higgins at (952) 758-0464 or Lois Giesen at (952) 758-2138 for more information.

### Be the Welcoming Face You Want to See!

If you were a visitor or newcomer walking into a Mass at St. Wenceslaus, would you feel noticed or welcome? It's up to all of us to provide hospitality to people who join us for worship, or come to our festival, or inquire about our parish. Are YOU the welcoming face of Jesus? Thanks to the greeters who welcome people at Mass. We could use several more. Call the parish office if you or your family would be willing to extend a greeting to Mass goers once a month. (952) 758-3225.

### Sacristans Needed for 8:30 am Sunday Masses

Please consider volunteering for this essential ministry. Anyone interested in discussing the duties and responsibilities of this important role are invited to contact Jan Schaeffer at (952) 201-7779.

### Bulletin Board Honoring Our Military

In the back of church, there is a bulletin board display regarding local military currently serving and/or deployed. This is a way for our parishioners to keep these individuals and their families in your thoughts and prayers. Others interested to include your loved one on this display, contact Helen Hartman at 758-3842 or Mary Pieper at (952) 873-6781.

Our Prayer Shawl Ministry Retreat begins Fri., Sept. 9th, with early check-in from 3-4:30 pm or regular check-in from 6-7:30 pm. The retreat ends Sun., Sept. 11th, after lunch. **The Patriotic Rosary** will be prayed at St. John's Church ~ Sunday, September 11th at 6:30 pm for legislators, senators and all in government to fight for religious freedom, the right to live, as well as support and respect for our soldiers and veterans. Fr. Barrett will be presiding over the rosary. Everyone is welcomed. We encourage our military and veteran families to attend.

**Soup Kitchen News:** Monthly meals served at the Dorothy Day Center continue to be supported by volunteers and friends of NPACC. This support has a positive impact on those we serve. We want to be good stewards of your valuable time and money. Recently the St. Wenceslaus Soup Kitchen Project was able to make a sizeable donation to Catholic Charities supporting construction of what is being called Higher Ground St. Paul. Higher Ground St. Paul will open Dec. 16, 2016 for overnight housing at varied levels of need. Catholic Charities understands the need for respectable sleeping conditions for people. We are continuing to serve meals at the DDC as phase one of construction nears completion. Thank you again for all of your support in the past and looking forward to continuing our ministry at the DDC. Questions and comments, call Norb Sticha at 758-3888.

## FAITH FORMATION AND YOUTH MINISTRY

### VERY FIRST FAITH FORMATION EVENT: NET RETREAT: grades 6, 7 & 8

Sept. 14th, 5-9 pm, dinner included! Turn in REGISTRATION FORM by Mon., Sept. 12th. Supper at 4:45. In His Image Remember who you are. Who are you? A soccer player? A dancer? The funny guy? The nice girl? There is one identity you don't have to earn and cannot be taken away. This theme explores our inclination to identify ourselves by what we do rather than who we are as God's sons and daughters.

## SCHOOL NEWS from SWS

### School News

School starts on Mon., Aug. 29th. St.

Wenceslaus School welcomes all school families to the 2016-17 school year. We are especially excited about all of the new families and students who are joining us for the first time! We have students who are new to the community and some who have transferred from other schools. The school administration is thankful to all parish members and to the Catholic School Center of Excellence for financially supporting an assistance fund to make the school financially possible and accessible to parents who strive to offer their kids a faith-based education. We not only provide a great academic education but also one that nourishes the soul and bringing students into a daily relationship with God.

**C-STEM** ~ Science, Technology, Engineering, and Math all within our Catholic School. We are very excited to announce that SWS has become a C-STEM focused school. The staff from the school has been intensely working on their STEM certification at the University of St. Catherine's in St. Paul. There are only 3 Catholic schools out of the 79 in the Archdiocese that are involved in this particular program. STEM is a dramatic style of teaching that helps students focus on problem solving, collaboration, and on technical disciplines. Students learn skills that they will need for success within the technical world of the future. C-STREAM also involves the arts and religion. Not only do we look to technology, but intentionally form each student in their faith: developing body, mind, and soul.
