Weekly Office Update

St. Wenceslaus Catholic School

C-STEM

From the Office of the Principal ...

Dear Parents, Grandparents and Friends;

Pray! Fast! Give!

This is our school theme for the 6 prayerful weeks of lent. We are focused on these three words to bring the meaning of Christ's life, His crucifixion, and His death that leads to the glorious Resurrection to our students. We will have weekly all-school prayer services, adoration is offered for students in K-8 who want time to pray in silence and we have "family group" activities where they can connect with their buddies in prayer. We are encouraging students to select a fasting goal. We will continue to raise donations for the Smile Network as our giving action to others in need around the world. We will conclude the lenten season with the annual Living Stations performed by the 8th graders on the last day before our break. Pray! Fast! Give!

Our School Mission Statement

St. Wenceslaus School is a family centered faith community committed to the intellectual and spiritual formation of our students. We provide a high quality academic program that builds leadership and self-confidence while nurturing a loving relationship with God and encouraging service to others.

GET INVOLVED!

SWS HOME & SCHOOL COME CHECK US OUT!

The Home & School committee is a group of parents who are excited to meet you and introduce you to a few of the additional events that support our school, staff and students. We hope that you'd consider joining our group and getting involved with the extra events that make SWS so special! Our school family prides itself on the warm and inviting atmosphere around school and Home and School is no exception! All are welcome and your help throughout the year is so appreciated.

We continue to support our students with fun events like the all school **Marathon** where we organize the pep-fest, prize rally and little treats to keep the kids motivated to hit their goals! We also host the annual **Santa's Workshop** where the kids get to shop til they drop and surprise their loved ones with the gifts they so carefully selected.

Our parents put on the annual **Handmade Market** with our very own concessions and market booth, raising funds for special needs or causes within the school. We also support our school staff with **conference meals** each semester and by adding extra meals and treats to show our parents overwhelming appreciation for the staff during **Teacher Appreciation Week**.

Please consider getting involved – our school is a better place because of the support and dedication of our school parents!

Bring a Friend to School Day - Grs. K-5

All students in grades K-5 can bring one friend to school on Friday, March 9. **Permission slips are due by March 5.**

The friend must be in the same grade or in one grade higher or lower. NPAS does not have school on this day. There might be a NPAS friend who would like to check out our school. This event is NOT meant to bring guests/relatives from far away but only local kids.

Big Bang STEM Fair

We will hold the SWS competition on March 5 with judging to take place between 8:00 - 9:00 AM. The top projects will be sent to the Archdiocesan Big Bang STEM Fair held at Holy Family Catholic High School on April 21.

Incentive for Current School Families
\$250 Tuition Credit

Every new family that enrolls in our school in grades K-8 will have one opportunity to list a family that helped them make this important educational decision. If your family is the one listed by the new family then we will give you a tuition credit of \$250 for the following year. 2019-20. Help us introduce and recruit new families for our school.

We Need Donations for the Starry Night

1. Live auction: Trips, cabins, services, sporting tickets, larger products. If you have access to anything that could work for the live auction, please come forward.
2. Smaller ones to make a basket for the silent auction tables. A basket full is great or one item to add together with another to make up a basket is awesome.
3. Be willing to sponsor an event to take place at a later date such as a dinner, a party, a dance, a hayride, or many other ideas.
4. Certificates: We need lots and lots of gift certificates for one of our event ideas.
5. Alcohol - lots of it! - - - - to put into adult gift baskets. One basket will contain everything to make a "certain" drink.

Word of Mouth Marketing is the best!

Please share why you send your kids to our school with everyone! We would love to offer many more kids an opportunity for a wonderful Catholic Education. Please pass these video links:

Book Fair Follow-up

Thank you to all those volunteers that helped with the book fair! This is a huge undertaking and I am so grateful for all the help. Setting up the book fair and taking it down usually is very time consuming but this year, many hands made light work. I am so grateful for the volunteers that ran the registers on the days that I couldn't be there and also on Sunday when we had the huge crowd. I also want to thank everyone for buying books! We were able to get \$124.00 worth of books from Scholastic and \$782.48 in cash profits to buy new books for the library. That's over \$900.00 for books! Wow! Thank you all again!!

God bless you,
Mrs. Stavos
